## **Grants and Contracts**

£147,000 (\$213,500) from the Higher Education Funding Council of England to develop an interactive system for phonetic training and assessment in collaboration with five other UK universities. 1997-2000.

Equipment for stroboscopic examination of the larynx. University of Louisiana at Lafayette, university-wide equipment competition. \$58,000, 2003 (with Dr N. Roussel).

Regents Fellowships for the Applied Language and Speech Sciences Ph.D. Program, to Louisiana Board of Regents' Support Fund. \$288,000. 2007-2011 (with Drs J. Tetnowski and J. Damico).

## **Offices, Awards and Honors**

Honorary Fellow of the Royal College of Speech and Language Therapists, London (awarded 2004)

Honorary Professor, University of Wales (awarded 2004)

President, International Clinical Phonetics and Linguistics Association, 2000-2008.

Founding Editor of *Clinical Linguistics & Phonetics*, an international journal published by Taylor and Francis Ltd, London. 1986-present.

Co-Editor of the *Journal of Interactive Research in Communication Disorders*, an international journal published by Equinox Publications, London. 2009-present.

Co-Editor with Nicole Müller of the book series *Communication Disorders across Languages, Multilingual Matters* (Bristol, UK), 2002 – present; and with Jack Damico of the book series *Language and Speech Disorders*, Psychology Press (New York), 2009-present.

Administrative Editor, *Journal of Celtic Linguistics*, 1990-1994; Editorial Board member, 1994-present. Editorial Board member, *Journal of Celtic Language Learning*, 1994-present; *Advances in Speech Pathology*, 1997-present; *Welsh Journal of Education*, 2001-present; *International Journal of Language and Communication Disorders*, 2002-present.
