

August 2008

To: Faculty

This *Handbook* and the University Undergraduate/Graduate *Bulletins* answer most questions a faculty member may have about the administrative policies and practices, benefits, course offerings, and services of the University.

The *Handbook* was revised effective Fall 2008. As policies are deleted, modified, or added, certain information will necessarily be changed over time. You will be notified of these changes as they are approved by the appropriate officer or governing board. New material will also be available on the University website.

It is my sincere hope that you will find this information helpful in meeting your needs and the needs of the students we serve. If you should find your questions unanswered, please address them to the appropriate Department Head, Director, Dean, and Vice President.

I look forward to working with you.

E. Joseph Savoie
President
