

Faculty/Staff Orientation

Annually in August the Office of Academic Planning and Faculty Development conducts an orientation for new faculty and unclassified staff. The orientation is conducted on the afternoons of the Thursday and Friday immediately preceding the first day of class of the Fall Semester. The Thursday session is coordinated by the Personnel Office and is dedicated to completing paperwork and gathering information necessary to a person's employment. The Friday afternoon session begins with an overview of the University's mission, followed by a general introduction to academic programs and policies. Faculty members meet with their respective college deans to review goals, policies, and procedures specific to the college.
